

# JUNIOR SCHOOL

A reminder to parents that girls should wear correct uniform items – even on snowy/colder days – the Hollygirt bobble hat and scarf will keep girls sufficiently warm in the cooler weather.

## Active Kids Get Cooking

Junior Girls should not arrive in school before 8.00am in the morning. There is staff supervision from 8.00am and not before.

Year 5 girls have been working towards their bronze level 'Active Kids Get Cooking' certificates and the 2009 Challenge by researching, planning and cooking a "splendid" breakfast for their teachers and parents.

Snowman building is proving to be very popular this term!

Years 3 to 7 danced the night away at the Friends of Hollygirt Christmas Disco

## Christmas Catch Up!

The Junior School Production took place just before the Christmas holidays. The girls thoroughly enjoyed themselves.

All girls in our current Year 6 class have been offered places in Year 7 in Sept 2009

\* Two with an academic scholarship! \*
