

PERFORMING ARTS

Off By Heart

Congratulations to Victoria Reckless in Year 5, who won her heat of BBC's poetry recital competition "Off By Heart". Victoria went to Chesterfield to take part in the competition along with 11 other hopefuls from the region and chose to recite Walter de la Mare's "The Listeners". Now Victoria has to wait to see if she is the highest scorer in the East Midlands to go through to the televised final in London. Good Luck Victoria!

On Saturday 10th January a small number of Hollygirl girls participated in an awesome full day choral workshop and massed choir performance of Karl Jenkins' 'The Armed Man' in Southwell Minster under the superb guidance of Mike Brewer.

Many thanks to Mr Turner for encouraging us to get involved and for his organisation and contribution to the day.

Junior & Senior House Music Competitions

The Junior School Music Competition is a new initiative that is running the week after half term: from Monday 23rd February. In that time girls will perform a solo on an instrument or voice and every performance will gain them a point for their house. If they perform well they have a chance of going through to the final which will gain them *more* points for their house!

The final will be held at the next Junior School Concert on Wednesday 4th March. There are two classes (Junior Class for Years 3 & 4 and Senior Class for Years 5 & 6) and prizes will be awarded to girls who finish first, second and third in their particular class as well as vital house points.

The Senior House Music Competition will be running from Monday 2nd March for a week. It is following the same format as for the Junior Competition with the final being held at the next Senior School Recital on Tuesday 10th March. There are two classes (Junior Class for Years 7-9 and Senior Class for Years 10 & 11) and again prizes will be awarded as the Junior Competition.
